Directions for using Single Sunflower Designs

This small design can be used for several projects as illustrated on this CD.

Stitch one on a small hoop and use it in the Sudberry House Mini Box. Stitch six four times on a small hoop for a checker set. –Stitch twelve up twice on a large hoop for a checker set.- either change the fabric for the opposing side or change the colors to yellow and white.

Finishing the checkers – fray-check just around the design and glue to the top of the checker, or trace around the top of the checker and fray-check the edge and glue down.

Sources for the checkers- any plastic set can be covered and used – we were fortunate to have a wooden set which is no longer available from our source.

Checker Set
