Top of Stocking

Bottom of Stocking Design

Stitch top of stocking next with the hoop in another position as Illustration B . Match markers by stitching the top markers on a scrap fabric or stabilizer. Take off hoop and the fold lines can help you re-hoop the stocking stitching. Then stitch the top markers without any thread and adjust to fit the bottom markers.

When both match, stitch colors as digitized.

Use the stocking pattern as a guide, it can be narrowed down as you desire.

Enlarge this print-out by 148% on a copier to get correct stocking size.
